## FIM Enduro Vintage World Cup

### 2022 calendar

The FIM is pleased to announce that the inaugural FIM Enduro Vintage World Cup will take place in Kielce- Piekoszów Poland on 17-18 September.

The longer-term plan is that this World Cup will include multiple similar events in different countries each year, however the PZM must be congratulated for hosting the inaugural edition.

The FIM Enduro Vintage World Cup together with the FIM Enduro Vintage Trophy, the latter which will be held in Santiago do Cacem, Portugal in September shows that the FIM is striving to cater for the Vintage riders and machines as well as still being committed to the established modern Enduro events.
