## FIM Enduro World Championship & FIM Enduro World Cups 2025 Calendar, UPDATE 14 March

### EnduroGP of Romania Cancelled

The FIM, Romania Motorcycle Federation (FRM), Prime Stadium, and LX-Cape Motoclub regret to announce that, despite their best efforts, they have been forced to cancel the EnduroGP of Romania, which was scheduled for June 20-22 in Bacău.

This decision is due to force majeure brought about by the recent African swine fever outbreak at the local hunting ground No. 37 in Calugara, which overlaps the event's roads and special test areas.

The event will not be replaced. The calendar has been updated as planned.
